

DRINKS MENU

A TALE OF TWO SIDES

Intro

WELCOME TO HYDE.

This menu is more than a list of cocktails
it is a story told in chapters, each one revealing a
different side of who we are.

Inspired by the legend of DR. JEKYLL and MR. HYDE,
these pages explore the balance between light
and dark, playful and serious,
indulgent and restrained.

Begin with our Premium Serves, where refinement
and mischief collide in two extraordinary cocktails.

From there, the story unfolds:
bold HYDE signatures with their darker edge,
bright JEKYLLcreations that celebrate curiosity,
sparkling spritzes for moments of lightness,
and zeroproof serves that prove
flavour doesn't need alcohol to shine.

As you move through the classics and into our
spirit library, you'll see that this menu is
designed like HYDE itself: dual in nature, full of
contrasts, and best enjoyed with an open mind.

Every page is a new side of the story.

Which one will you choose?
