

A vibrant, stylized illustration of a tropical jungle. The scene is filled with various types of green foliage, including large monstera leaves with characteristic holes, palm fronds, and broad-leafed plants. A small, light-colored monkey is perched on a branch on the left side, looking towards the center. In the lower half, there are several bright flowers: a large red hibiscus, a pink hibiscus, and a yellow flower. The background is a clean, bright white, which makes the colors of the plants and animals stand out. The overall style is clean and modern, suitable for a menu or promotional material.

IRISH PALE ALE - The original and the first IPA in Ireland.

A benchmark beer that has been at the forefront of the Irish craft beer revolution since 2006. A well-balanced beer with citrus and floral notes and a crisp dry finish.

SIXTY KNOTS IPA - A classic IPA brimming with zesty citrus and tropical fruit flavours. A good level of hop bitterness is balanced with a rich malt body.

ORGANIC PILSNER - A light and refreshing pilsner lager brewed using only organic ingredients. Ireland's only organic beer.

GALWAY GIRL - A hazy IPA bursting with tropical fruits flavours and juicy hops, brewed using raw mango pulp. Unfiltered and unpasteurised for a more robust and natural.

RUBY ALE - Lots of toffee and biscuit flavours from the malts balanced with earthy and spicy hop notes.
